Association of Colleges and Schools

Dear Birch Lake Association,

Thank you for sponsoring me so I could come to Forkhorn. It was very fun, we went rockclimbing and canoeing on Sunday and learned about our fellow team members. On Monday we took a hike around camp and then we shot rifles at the range, we fired more than a thousand rounds! On Tuesday we walked up to the Fire Tower and went up 55ft and saw 23 miles around! We also learned how to cross fences with firearms and safe positions to shoot. Then we camped out in tents and roasted hot dogs with corn and chips, we went to Archery later and I got a bullseye. On Wednesday, we did a team obstacle course, later we went to the Range again and shot in different positions like prone. Finally we did survival and made tipis out of sticks and made fires. On Thursday we learned about safety with tree stands and blood trailing, later we did orienteering we learned how to use compasses and we went to checkpoints all over the place. Finally on Friday we did the hunters challenge we did all sorts of activities like hatchet throwing. Thank you for sending me to this great camp,

Sincerely
Bennet Capelle age 12
