Thank you for sending me to camp at Deep Portage. This is Braden Capelle (12)
It was a lot of fun doing the climbing wall, canoeing, swimming, camping, going up the
Tower, playing activities in the woods, and so on. Thank you for providing the
money to go to camp so I could learn firearm safety so I can be safe when
I'm hunting with my grandpa, or in two more years by my self. I learned
the different parts of the shotgun and the rifle. I also learned how to
carry guns, gun actions, shooting positions, and how to be safe in the woods hunting. I also
got to shoot a 22 and now I feel safe to hunt, but I know I must be safe. Thank you
Birch Lake Association.
